

BLADE

work.
support.
design.

Top left: Blade Swivel Tilt Chair with Frameworks Table and Resolve Ottomans

Top right: Blade Swivel Tilt Chair

Bottom: Blade Swivel Tilt Chair

The Blade task chair is for every environment. The slender details of the arms and back allow it to collage with many products. Never the focus, nor lost in the crowd, Blade's comfort within a considered scale, in conjunction with the flexibility to either dress it up or down, make it an excellent contributor to many of the work place narratives that exist in the modern office.
