

We are excited to announce that St. Timothy Chair is now a part of Cabot Wrenn!

Following a recent acquisition, Cabot Wrenn is pleased to introduce our new Cabot Wrenn St. Timothy Collection

This new collection features over seventy-five of the most popular St. Timothy Chair items providing a diverse selection of upholstered lounge, executive, and occasional seating for corporate, institutional, hospitality, and healthcare environments.

In addition to the designs, our collection maintains the same commitment to quality and craftsmanship that St. Timothy Chair has provided the commercial furniture industry for the past fifty-seven years. Each piece will continue to be manufactured in the foothills of Western North Carolina.

While we hope that you are as excited about this new St. Timothy chapter as we are, we understand there are likely a number of questions related to ongoing projects, products, and options. It is our goal to make this transition as seamless as possible but, please don't hesitate to reach out.

For all existing orders placed with St. Timothy Chair, please remain in touch with your previous contact.

For all other inquiries, please contact Cabot Wrenn at Ph: (828) 326.8250 or service@cabotwrenn.com.

We look forward to getting started on this new and exciting journey!

Sincerely,

Cabot Wrenn
